

finding it difficult to work because of a disability or mental health condition?

Get help from Access to Work

Access to Work removes barriers in the workplace allowing you to shine like the superstar you are. The grant scheme can support you in a number of ways. For example, it can provide your employer with funds towards:

- ✓ Assistive technology software
- ✓ Specialist equipment
- ✓ Travel expenses to and from work
- ✓ Support worker or a job coach

No cost to you

Access to Work is a government-funded grant scheme to help people with disabilities and mental health conditions to start or stay in work. It can pay up to 100% of the approved support and your employer will pay the difference.
