

We're taking part in the WriQ Word Challenge

So far this year our class have written _____ words

Rules

- Set a weekly writing target for your class (e.g. 200 words).
- Use WriQ to track the cumulative amount of words your class is writing.
- Everytime they hit their set target, move the tracker one space.
- When you land on a new milestone, share it using #WriQWordChallenge and we'll give you some tips and resources to help your class reach the next stage.
