

# Read&Write is free for your family

Read&Write supports us to understand, work and learn in our own way. Its tools are especially helpful for those of us with Dyslexia, Dyspraxia, Autism and ADHD.

**Now, your family members can be supported too!**

Share Read&Write with your parents, siblings, spouse, and children. Help them to unlock their full potential, whether at school or at work.

To gift  
Read&Write simply  
share this link with  
your family:
